Proud Branch Of

Team Manager Vulnerable Sector Check

Date _____

Please consider this letter as our confirmation to engage the following person as a Volunteer within Hockey Northwestern Ontario.

Full name _____

Date of Birth _____

Member _____

Association/Club _____

Age Group and Level (ex. U14 AA) _____

Team Official/Volunteer Position _____

The position is one of trust and authority towards vulnerable persons aged 4 through 17. Based on the position above, the individual would be in direct 1:1 contact with vulnerable persons during games and practices, in the supervision of the dressing room, and on the team bench as that position is a part of the rostered bench staff. The Team Manager is a central figure in communication with players, parents and coaches, so this individual will be communicating, interacting, and supervising vulnerable persons alone in their role.

We appreciate you proceeding with the Vulnerable Sector Screening Check accordingly.

This is a Hockey Canada and Hockey Northwestern Ontario requirement.
